Annual Reports

of the

Town of

PITTSFIELD New Hampshire

**For the Year ending
December 31, 1968**

1969 AWARD WINNERS

Margaret (Babe) Jenisch and her husband Alfred received Citizen-of-the-Year plaque from selectman chairman Elliott L. Towle.

They have quietly, without fanfare, given of their time and effort to the less fortunate. Both have spent many hours on most any civic committee you might name.

Digitized by the Internet Archive
in 2013

The year 1968 cost the lives of three Pittsfield Servicemen.

On April 8th., Major Ralph C. Wight USA, died as a result of wounds received while a passenger in a vehicle hit by hostile anti-tank rounds while on duty in Vietnam. The son of Mr. and Mrs. Ralph C. Wight of Upper City Rd., he became this town's first fatality of that war.

On April 25th., Cpl. Richard A. Brooks, U.S.M.C., was killed when a grenade accidentally exploded while the local leatherneck was in a defensive position in Dong Ha, in the vicinity of Quang Tri Province, Vietnam. He was the son of Mr. and Mrs. Phillip Brooks of Main St.

On or about May 21st., Chief Torpedoman Walter Bishop was killed in mid-atlantic when the nuclear powered U.S.S. Scorpion of which he was a member mysteriously went to the bottom. The local submariner was returning to port on his last voyage of a career which began the day following his graduation from PHS in 1948.

He was the nephew of Mrs. Courtland Paige and Mrs. Abbie Moulton.

TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Pittsfield, in the County of Merrimack, in said State, qualified to vote in Town Affairs:

(L. S.)

You are hereby notified to meet at the Town Hall in said Pittsfield on Tuesday, the eleventh of March next, at Ten of the clock in the forenoon, and at Greenleaf Auditorium at eight of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing. (Polls shall not close before 6:30 P. M.).
2. To see if the town will vote to authorize the Selectmen to sell, rent or lease any or all property acquired by Tax Collector's Deed and to otherwise administer Town property as they deem to be in the best interest of the Town.
3. To see if the Town will vote to raise and appropriate the sum of nine hundred dollars (\$900.00) to be paid to Concord Hospital as an apportionment of the anticipated deficit of the Hospital for 1968. (Entered without recommendation of the Budget Committee.)
4. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) for the paving of the Clark Street Extension (Clark Street to Catamount Street). (Recommended by the Budget Committee.)

5. To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600.00) to pave the street at the South Main St. Common (Around said Common known formerly as French Street). (Recommended by the Budget Committee.)

6. To see if the Town will vote to accept the gift of a sufficient sum of money to purchase for the Town a police cruiser for the sole use of the Pittsfield Police Dept. Said sum of money being offered without further restriction by the Pittsfield Lions Club. Said cruiser would become Town property upon purchase. (Recommended by the Budget Committee.)

7. To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of seven (7) to include representation from the Board of Selectmen, the Board of Firewards and other interested persons to explore and prepare proposals for a new firehouse. Said proposals to be presented at the 1970 Town Meeting or before.

8. To see if the Town will vote to raise and appropriate the sums of money recommended by the Budget Committee to defray Town expenses for the year ensuing or to pass any motion related thereto.

9. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1969 Taxes the same to be repaid from that year's levy.

10. To see if the Town will accept the following Cemeteries and Special Trust Funds:

Donor	Purpose	Amount
Mrs. E. Bennett	Care of John and Emma Laro lot, Floral Park Cemetery	\$100.00
Marcus K. Locke, Carrie L. & William E. Philbrick	Care of Locke and Philbrick lot, Floral Park Cemetery	300.00

Pittsfield District		
Nursing Association	Scholarship Fund	4,085.49
Vera Tuttle	Care of George W. Nutter lot, Floral Park Cemetery	200.00
Mary E. Sherburne	Care of Frank L. Sherburne lot, Floral Park Cemetery	250.00
Channing H. Cox	Care of Guy W. Cox lot, Floral Park Cemetery	5,032.22
Ruth C. Emerson	Care of David Swett lot, Floral Park Cemetery	200.00
Mrs. Fred Geer	Care of C. S. Emerson lot, Floral Park Cemetery	300.00
Nettie Smith	Care of Walter Smith lot, Floral Park Cemetery	100.00
Accrued earnings from original fund	(Addition) Kenneth & Annette Danis lot, Mt. Calvary Cemetery	100.00

11. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this twentieth day of February, in the year of our Lord nineteen hundred and sixty-nine.

ELLIOTT L. TOWLE
LESTER S. EMERSON
GORDON R. WELDON
Selectmen of Pittsfield

SELECTMEN'S REPORT

1968

The year was marked by the purchase of two new pieces of equipment. As voted at the 1968 Town Meeting, the new Austin-Western grader was ordered and received early in April. It has met our expectations and appears capable of any road demand we might have for the next few years.

The new tank truck ordered for the Fire Department will be in operation early in 1969 and should solve the department's major equipment problems for some time to come.

The parking area and sidewalk relocation was completed at Dustin Park early in the spring and has been of a considerable advantage both to businesses and traffic this past year. This job was done without any special appropriations and with the most generous cooperation of adjoining land owners to the park, all of which made the job much easier for the Town.

T. R. A. funds were used at two locations in 1968. Tilton Hill has been completed to present plans and High Street has been widened, filled and awaits final shaping and paving early in 1969. It is the present plan of your Board to put permanent improvements on Norris Road from the end of the present tarred surface to just beyond Mt. Calvary Cemetery. This project should be started during 1969.

Perambulation of the Chichester-Pittsfield Town line was carried out with the Chichester Board of Selectmen. The Town line was reviewed and reestablished and a complete report of this action appears elsewhere in your Town Report.

Note should be made of an offer by the Pittsfield Lions Club to furnish the Town with sufficient funds to purchase a police cruiser for use by the Pittsfield Police

Department. This is a most generous offer and your Board hopes the Town will give its assent at the 1969 Town Meeting. It would fill what appears to us to be a pressing need in Town equipment and one we must meet.

Application for the construction plan funds on the Pollution Control requirements given the Town has been made and we are presently awaiting the funds for this phase.

There are plans by the Chamber of Commerce to engage in a tree replacement program with Town assistance and it is earnestly hoped that all possible assistance by the public be tendered in this most worthwhile project. For years one of Pittsfield's most valuable assets has been its beautiful shade trees. There appears presently no way to save our elms and replacement must be started to insure a continuing source of natural beauty for urban Pittsfield. This was so generously donated by our forebears and it now appears to be our duty to provide the same for those who will follow us.

GORDON R. WELDON

ELLIOTT L. TOWLE

LESTER S. EMERSON

Board of Selectmen

PERAMBULATION OF CHICHESTER - PITTSFIELD TOWN LINE

November 2, 1968

Persuant to notice and agreement, we the undersigned Selectmen met on October 19, 1968 and November 2, 1968 for the purpose of perambulating said Town Line and renewing the marks and bounds thereof, to wit:

1. Beginning at the northwest corner of Chichester and a southwest corner of Pittsfield on the Loudon Line at a stone bound, marked C-P-L and other marks, and an iron pipe (said bound being situated on a slight rise of ground in an area of recently cutover Norway pines, northwesterly approximately 200 feet from a large maple tree marked with an X.)
2. Thence, South 40 degrees and 45 minutes east, 19 rods (313') to a flat stone bound marked X and being about 3 rods northwesterly from the end of a wall.
3. Thence continuing the same course, 51 rods (841') to a stone about two feet high, marked P-C and situated on a rise of ground.
4. Thence same course, 35 rods (577') to a stone bound two feet tall with rocks around same, marked P-C, 1909, 1916, 1923, and 1938.
5. Thence same course, 25 rods and 9 links (418') to an X marked on the south side of the corner rock in the corner of a stone wall. Also marked 1938.
6. Thence continuing the same course, by a wall and a wire fence, 100 rods (1650') to a stone bound one foot high, marked C-P and located on the west side of a meadow. Said bound also marked with four foot high iron pipe due to high water at this location.
7. Thence same course, 70 rods (1155') to a small stone bound on the east side of said meadow and marked

C-P. Said bound also marked with four foot high iron pipe due to high water at this location. A small white pine tree was blazed on dry land about sixty feet from said bound.

8. Thence continuing the same course, 90 rods (1485') to an old Elm tree on the east side of the Gilmanton or Ingalls or Kaime Hill Road, so called, said tree marked X and P-C-L. These markings were renewed at this time.

9. Thence same course, $76\frac{1}{2}$ rods (1262') to a pile of rocks with a stone bound therein marked P-C, 1938; this bound is located about forty feet southeast from the end of a stone wall, said wall being on the Pittsfield side of the town line.

10. Thence same course, $162\frac{1}{2}$ rods (2681') to a stone monument on the easterly side of the Concord-Pittsfield state road, Rt. 28.

11. Thence by the same course, South 40 degrees and 45 minutes East, 190 rods (3135') and six links to a stone bound marked P-C-T-L, 1909, 1916 with an iron pipe driven near said bound and located about ten paces southeasterly from the corner of a wire fence at a pine stump, formerly Guy C. Nichols land. This bound now nearly underneath a large blown down tree.

12. Thence same course, 72 rods (1188') to a split stone and an iron pipe about sixty feet on the easterly side of a woods road in cutover land formerly of Guy W. Cox, now of William S. Freese. (For further reference, about 226 paces up the road in a NE direction from the north end of pond.)

13. Thence same course, 46 rods (759') to a stone bound about one foot high and shaped like the back of a hog, located on the west bank of the Suncook River so-called, about ten feet from high water and at the southerly end of a rather steep river bank. Northeast of Cox's Pond. Said bound is marked 1895, 1909, & 1916.

14. Thence, 3 rods to the center of said River.

15. Thence, southwesterly following down the center of said river about 700 rods (11,550') to a large flat stone marked with an X at the northerly corner of Epsom on the Chichester Line. (Said stone appears to have moved, possibly ice, and is now located more toward the easterly bank of the river.)

Chichester

Selectmen of

Pittsfield

State Treasurer, social security tax	422.61
	<hr/>
Total	\$10,449.77

The officers of the Pittsfield Police Department for 1968 were Nolan Avery, Ben Abbott, W. Philip Bartels, III, Harold Mahanna and Chief Siel.

Your Police Department is available to you 24 hours a day by calling 435-6631.

VAUGHN V. SIEL

Chief of Police

LIBRARY ANNUAL REPORT

Report of the Trustees — 1968

Increasingly Carpenter Library has tried to participate in other community activities so that citizens may feel that their Library is indeed an integral part of the town.

As part of the Old Home Day celebration in August, an outdoor sale of secondhand books and paperbacks was held. We are grateful to Mrs. William Swayne and Miss Barbara Daley for their enthusiastic co-operation. At Christmas, the Nativity Scene set up by the Chamber of Commerce graced the front lawn.

In June the Librarian visited the High School to give Book Talks to the 5th and 6th grades and the Grammar School Special Ed. class has visited the Library regularly each week for a Story Hour.

The most striking exhibit was one of Eskimo Art (loaned by F. Chester Adams). More films than ever before were shown to the younger schoolchildren (thanks to the kindness of Mr. Lester Emerson) and this summer the Project Headstart children, in addition to their luncheon and Story Hour visit, were treated to a film show.

The Library played host to a most interesting Reference Workshop, sponsored by New Hampshire State Library, in the fall, and was fortunate in winning a copy of the Readers Encyclopedia of American Literature from the drawing held afterwards.

Repairs to the tile floor were undertaken, much improving the appearance — and usefulness — of the main room.

Mrs. Van Horn attended professional meetings in Concord, Bow, New Hampton and Manchester as well as successfully completing an Extension Course at U.N.H. — Programs and Services for Children.

To all our friends who help to make the Library a focal point for the intellectual life of the town, our sincere thanks. Especially do we thank the Pittsfield Rotary Club for their generous gift of \$100 towards the purchase of periodicals.

REPORT OF THE RECREATION COMMISSION

The Doctor F. B. Argue Swimming Pool was open for a total of ten weeks as in previous years. Frances Charon, director, was assisted by Senior Life Guards George Krause and Gail Drolet.

This season 15 children passed their beginners tests, 18 advanced beginners, 11 Intermediate, 4 Swimmers and 3 Advanced Swimmers.

Two classes were held on Friday mornings for preschoolers with a total of 20 children enrolled. This was a water-readiness course. The average daily attendance was 80.

The P. T. A. in Barnstead was granted permission by the Commission to bring their children over for two weeks of classes. Our instructors felt they could include this group without over crowding conditions.

The pool was drained and flushed out before opening. A new diving board was installed and a sink was added in the boys dressing room.

Due to the weather, last spring, it was impossible to remove the vein of rust which is discoloring the water. This project will be undertaken this year before the pool is opened.

Respectfully submitted,

ANN CARPENTER

REPORT OF TREE WARDEN

There is a committee to survey and lay out plans to plant new trees for our town. With the same kind of interest and support from all of us, I am sure this will benefit our town now, as well as in the future.

The town also received aid from the Department of Resources and Economic Development. White Pine Blister Rust Control for the town of Pittsfield shows a total of 631 acres worked. 617 currant and gooseberry bushes were destroyed.

As in other years the tree appropriations will be used for taking down diseased elm trees and removing stumps. Aid from the Public Service Co. in removing hazardous trees is greatly appreciated.

Respectfully submitted,

Gary C. Bedell

Tree Warden

FIRE DEPARTMENT REPORT

This year there were 23 box alarms, 2 stills, 2 false and 1 for mutual aid.

Fire Alarm Boxes were tested 42 times during the year, with 6 boxes needing repair.

An 8 week training course with State Instructor Rodney Boyd, was held at the Firehouse as well as several summer sessions held by members of the department.

New equipment purchased this year includes — 1 14ft. fiberglass boat, 3 Scott air packs and boots for each member of the department. The addition of 10 new firemen has brought our department up to full company.

A new tanker was ordered in April and is to be delivered by February 1, 1969.

Firewards meet at the Firehouse every Friday evening for radio check and to check equipment.

To report a Fire call — 435-6522.

Respectfully submitted,

FREDERICK T. HAST

Fire Chief

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our village streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To **never** discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for **all** debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.

- b. The warden is forbidden by regulation to allow burning of household rubbish on **grass** by householders between 9:00 A. M. and 5:00 P. M.
 - c. Have equipment on hand to control the fire **before** you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest fire record for 1968:

	Number of fires	Woodland acres burned
State	593	349
District	74	85
Town of Pittsfield	2	1

PITTSFIELD HEALTH OFFICER'S REPORT

Monthly Town water samples were taken at three different locations near ends-of-lines. These samples tested out satisfactory at time of collection.

Two sets of Berry Pond and Reservoir samples were given microscopic examinations in April and July. All four samples were free from algae.

Since it is a State Law that our water must be chlorinated as it is a surface supply, anyone who experiences objectionable taste and/or odor may obtain information about two different types of inexpensive filters that attach to your faucet to greatly improve the taste.

Two weekly samples were collected from the Pittsfield Pool during the season. They were okay for swimming.

Nine complaints were investigated. Six inspections were made. Many water bottles were given out and delivered to Concord.

Through the fine cooperation of Dr. Argue and Dr. Conrad, Pittsfield has been in close touch weekly with N. H. State Bureau of Communicable Disease Control as to incidence of communicable illness now and for the past few months.

Four different wells in the Pittsfield area were found to have appreciable amounts of natural fluoride through research conducted at the State Water Testing Laboratory for nine months. Consequently, any parents contemplating using fluoride drops or pills should have their wells checked for natural fluorides.

Sincerely,

ALBERT DRAGON

Health Officer

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Pittsfield qualified to vote in district affairs:

You are hereby notified to meet at the Greenleaf Auditorium in said district on the 6th day of March 1969, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To Choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.
9. To see if the District will vote to continue the summer recreation program at Drake Field and raise

and appropriate the sum of \$1,300.00 for a director, assistant, and supplies to continue the program (Recommended by Budget Committee).

10. To see if the District will vote to raise and appropriate a sum of \$3,000.00 to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. (Recommended by Budget Committee).

11. To see if the District will authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency.

12. To see if the District will create a cooperative school district planning committee and to elect the members thereof or determine that they shall be appointed by the moderator.

13. To transact any other business which may legally come before said meeting.

Given under our hands at said Pittsfield this 4th day of February 1969.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of the Pittsfield School District: I respectfully submit my third annual report as your Superintendent of Schools.

Teachers' salaries still seem to be taking a continuous upward climb. The State average salary for classroom teachers during 1967-68 was \$6,463.00. The average for this current year increased by \$595.00 to a high of \$7,058.00. This represents the highest increase that has been experienced in recent years. Pittsfield needs to remain competitive, therefore we find the cost of education increasing primarily because of this upward surge in teachers' salaries. In order to keep good teachers, the District needs to have an attractive, competitive, but realistic salary schedule.

The School Board has established a starting salary that is believed to be adequate to keep and attract well qualified staff members. We all fully realize that salaries represent more than half of the total budget, but yet we also know the quality of the teacher has a direct bearing upon the effectiveness of the educational program. Your best teachers are employed by school systems having the better salary schedule and an attractive teaching environment.

Pittsfield is now receiving more tuition students than last year. It is felt that this reflects a real problem for Pittsfield and the surrounding area. The school facilities at the elementary level have become educationally antiquated while the facilities for Grades 5-12 are becoming crowded. What direction should Pittsfield be taking in providing educational opportunities? If tuition students are going to continue to be attracted to Pittsfield then steps will need to be taken to provide facilities. If expansion of school facilities is contemplated, then the District will need to have some assurance the surrounding towns will continue to send their students to Pitts-

field. The choice then becomes one of three possibilities; long term tuition contracts, authorized regional enrollment area (AREA), or a cooperative school district. If none of these possibilities can be implemented then the District will need to consider only their own students, and start cutting back on the number of tuition students. I feel Pittsfield can become an educational center for some of the surrounding towns and effort should be in the direction of forming a cooperative school district. It would be a mistake to become isolated and discontinue receiving tuition students.

I want to express sincere appreciation to the parents, business men, citizens, and particularly the members of the School Board for their continued interest and support.

Respectfully submitted,

DAMON A. RUSSELL

Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and the citizens of Pittsfield it is my pleasure to submit my second annual report as the Assistant Superintendent of Schools.

The new reading program is now well under way and operating smoothly. The implementation of the program was not difficult due primarily to an experienced and skillful core of elementary teachers.

The new testing program was also put into operation this year. The results have helped the professional staff to better understand individual students. The results of the tests have also helped in evaluating the present curriculum in order to search for quality innovations for the future.

At present a committee of teachers and administrators is inspecting social studies materials in order to choose the best material available for next year's adoption.

At the high school level the initiation of IPS has strengthened the science curriculum. Further updating of this rapidly-changing subject is now under study.

Because of the influx of tuition students, a cutback in department work and planning has been necessary. Pittsfield has, however, been fortunate in holding strong teachers with leadership abilities in the major departments. This has given stability and a solid basis in each area.

With much turmoil in education and educational planning in the towns surrounding Pittsfield, the future of tuition students at present seems rather vague. This places many pressures on those people responsible for planning future curriculums for the schools.

Next fall the New England Association of Colleges and Secondary Schools will send a team of professionals to Pittsfield to evaluate the educational program. This

committee will make recommendations and commendations regarding the present system. We are looking forward to the results of this study for, in many instances, we may have been too close to both problems and excellent practices to fairly evaluate them.

We have moved ahead in many areas of the curriculum in the past few years. Science, Language Arts, and reading materials have been recently updated. Within the next two years we hope to have updated materials in social studies and mathematics. The citizens of Pittsfield should be proud that they have supported these programs and have come this far with their educational endeavors. If Pittsfield can now retain the strength in the teaching staff, and if competent teachers can be found to fill vacancies, the system will be a sound one.

I believe that Pittsfield's citizens have made an outstanding effort to support education in the past, both financially and through physical effort and vocal support. The Pittsfield School Board has been an excellent board with which to work. They have made a total effort toward directing a strong educational program while keeping the citizens of Pittsfield always in mind. I have enjoyed working for Pittsfield and I shall continue to do all I can to support its educational endeavors.

Respectfully submitted,

DALE F. DOUGHTY
Assistant Superintendent of Schools

AUXILIARY REPORTS

REPORT OF THE HIGH SCHOOL PRINCIPAL

To the Members of the School Board, Superintendent of Schools, and Citizens of Pittsfield, it is with pleasure that as Principal of Pittsfield Schools I submit my annual report.

During the last two school years I have had the opportunity to serve as Principal of Grades 1 through 12 and during this period of time a very significant problem has become noticeable to me. This problem involves our present structure of grades. We now house three first grades and one second grade in the Memorial School (four teachers); at the Grammar School we have one section of the second grade, grades three and four, the Elementary Special Class and Remedial Reading (seven teachers); and at the High School building grade five through twelve (twenty-seven teachers). These separations, controlled as they are by the structure of our buildings, present financial, administrative and educational problems which I feel undermine good education.

Financially, the cost of operating and maintaining three separate buildings is tremendous. This is especially significant when one considers the condition of the Grammar School and also the contracting cost of maintaining and operating the Memorial and Grammar buildings versus the limited operating space in each.

Administratively, problems such as transportation of students (for school purposes and hot lunch) exist because of the structures. The natural communication problem which results by having three buildings is significant.

Educationally is where I feel the problem is paramount. The cavities that these separations create in the

socialization process of youngsters should be given a hard look. Is the separation of the second grade (one group in each building) healthy for a child's socialization process? Is the drastic change from the first grade and its building to another building constructive in child development? Is another drastic change between the fourth and fifth grades conducive to healthy development of a child? Lastly, is it not our obligation to provide surroundings to enhance the socialization of our children?

In conclusion I feel that we have a good school, but for the future of tomorrow's youth I strongly urge that the community determine unselfishly its future educational goals and then commit itself to the realization of these goals.

Respectfully submitted,

R. BRUCE SMITH

Principal

SECOND ANNUAL REPORT
of
Pittsfield Cooperative School District
Planning Committee

Early last spring your committee completed its detailed study of our school system as outlined in our first annual report contained in last year's Town Report. We then determined that the program of comprehensive Junior High School and High School offerings which Pittsfield should have and can afford could not be readily adapted to the existing High School facilities.

With this determination made we invited the planning committees or school boards of Alton, Barnstead, Chichester, Epsom and Northwood to a series of informal discussions to explore our common and separate problems. After several meetings, representatives from Northwood and Alton withdrew from further study, only Alton requesting to be kept informed of our progress.

After a preliminary review of enrollment projections for the four remaining school districts, the discussion group established the following subcommittees with members from each district:

- 1) Curriculum
- 2) Transportation and facilities
- 3) Finance

In consultation with members of the staff of the State Department of Education and following a series of meetings the Curriculum Subcommittee proposed a comprehensive program for grades seven through twelve to the full discussion group on February 5th. This proposal forms the basis for the work of the other two subcommittees.

The next step will be a determination by the Transportation and Facilities Subcommittee of the plant and facilities requisite to implement the program proposed by the Curriculum Subcommittee plus the required

transportation system. The Finance Subcommittee will then explore the means of financing the necessary construction and the operating costs, taking full advantage of federal and state assistance and allocating the remaining costs among the participating districts.

Until the work of these subcommittees is completed and the results analyzed for the various possible combinations of participating school districts, we cannot determine whether, within Pittsfield's means, some form of cooperative arrangement will better solve its educational problems.

We feel that the completion of this study is most important to the future of education in Pittsfield. The knowledge gained thereby will be invaluable in determining the future course of our school system, whether or not the results of the study warrant the formation of a cooperative school district or an AREA plan. Accordingly, we urge favorable action by the School District on the article in the annual meeting warrant to permit this important study to continue.

PAUL E. METCALF

REPORT OF SCHOOL NURSE

September 1967 to June 1968

Report of Local Medical Services:

Pupils examined for athletic participation	108
Defects found by medical examination	
Vision	1 treated 1
Orthopedic	1 treated 1

Report of School Nurse:

Vision tests	721
Hearing tests	715
Heights	713
Weights	713
First Aid	153
Home Visits	38

	Defects Found by Nurse	Treated by Family Physician
Vision	24	16
Hearing	3	3
Posture	4	2
Speech	2	2
Teeth	92	68
Tonsils	73	10

Communicable Diseases

Chicken Pox	4
Impetigo	3
Ringworm	5

Number successfully vaccinated	65
Number excused from vaccination	0
Clinics	
Dental	38
Preschool	43
Dental Hygienist	221

On the whole the general health of the school children in Pittsfield seems to be good.

The donations given by the State and the Salvation Army are a great help in the dental work.

The continued help and cooperation of the local Lion's Club is deeply appreciated by those children with vision problems.

I want to express sincere appreciation to the parents, teachers, and the town of Pittsfield for their continued help and interest in our school health program.

Respectfully submitted,

HELEN C. SWEENEY, R.N.

School Nurse

DRAKE FIELD SUMMER PROGRAM

Pittsfield, New Hampshire 1968

The 1968 summer program was conducted over an eight week period beginning on July 1 and ending August 23. The schedule of events ran from 9:00 A. M. to 4:30 P. M. on Monday through Friday. Children between Grades 4 and 8 participated, along with children of Grades 1-3 who were supervised by an assistant director.

Activities offered were as follows:

- | | | |
|------------------|-------------------|----------------|
| 1. archery | 7. softball | 13. peggyball |
| 2. croquet | 8. baseball | 14. pins |
| 3. tennis | 9. soccer | 15. horseshoes |
| 4. wrestling | 10. flag football | 16. volleyball |
| 5. track & field | 11. basketball | 17. checkers & |
| 6. tetherball | 12. badminton | chess |

A great deal of interest was shown in the fields of archery, flag football, croquet, and peggyball. The response to tennis was not good, however.

Tournaments were held during the final week, and trophies were awarded in the following:

Home Run Derby	Checkers	Foul Shooting
Chess	Badminton	Horseshoes
Peggyball	Archery	

An Olympic Day was held on August 23 with trophies awarded in the following contests:

Broad Jump	Relay Race	Shot put
Discus	Distance Run	100 Yard Dash
50 Yard Dash		

The competitions were divided into two divisions, namely the Senior Division (Grades 7-8) and the Junior

Division (Grades 4-5). Ribbons were given to the second and third place winners.

On occasion, as many as 60-70 children would participate in the program. However, the daily average participation was about 20-30.
